MEMBER PROFILE GUIDE

How to Update Your Personal Details Online

A visual, step-by-step guide to finding your membership ID, resetting your password, logging in, and editing your profile.

Website: ilaiindia.co.in

Before you begin

Keep your registered email inbox accessible while completing the process.

1

Find your membership record

Search the ILA member list using your registered email.

2

Reset your password

Request a reset email and verify the code.

3

Log in securely

Use your membership ID as your username.

4

Edit and save your profile

Update the relevant details, then verify the saved changes.

Use the official ILA website: ilaiindia.co.in

1. Find the Indian Library Association website

Open Google and search for “Indian Library Association”.

Open www.google.com in your browser.

Search for Indian Library Association.

Select the official result for ilaiindia.co.in.

Check the website address before proceeding.

2. Open the member list

Scroll down the ILA website to locate the member directory.

- On the ILA website, scroll down the page.
- Select “List of Members”.
- Wait for the member directory to load.

3. Search for your membership record

Use the email address already registered with ILA.

Enter your registered email in the search bar.

Select “Search”.

Check the result carefully, including your name and membership details.

Note down your Membership ID (MID). You will use it as your login username.

Important

Keep your MID private and save it for login.

Can't find your email address?

If your email address is not found in the ILA member list, or the email address shown is incorrect, please submit the form below to request an update to your membership records.

Submit the ILA member details correction form

Choose “Forgot your Username/Membership ID?” only if you cannot find your ID.

If you already noted your MID, select “Forgot Password?” to continue.

5. Request a password reset

Enter the same email address you used to find your member record.

Select “Forgot Password?”.

Enter your registered email address.

Select “Submit”.

Check your inbox for an email from Indian Library Association.

The screenshot shows a mobile browser view of the Indian Library Association website. At the top, there's a header with the time 7:27, signal strength, and battery level. Below the header is a navigation bar with social media icons and a 'Login / Register' link. The main content area has a pink banner with the text 'Forgot your password?' and a sub-header 'Home / Forgot your password?'. Below this, there's a text input field for 'Email Address *' with a yellow background. A pink 'Submit' button is located below the input field. At the bottom, there's a footer with copyright information and links for 'Email Login | Disclaimer'.

6. Retrieve the verification code

Open the password-reset email sent by ILA.

Copy the verification code from the email.

Return to the ILA password-reset page and paste the code.

Alternatively, open the reset link in the email if it is available.

Never forward the reset email or share the code with anyone.

For your security, codes and reset-link tokens are blurred in these screenshots.

7. Verify your account

Enter your membership ID and the verification code.

The screenshot shows a mobile app interface for account verification. At the top, there's a pink header with the text "Forgot your password?". Below the header, a message states: "An email has been sent to your email address. To verify your account, please paste the verification code below to prove that you are the owner of the account." There are two input fields: "Username *" with the value "DL-17460" and "Verification Code *" with the value "e842dfd109cb636ac8defc9ea053ba30". A pink "Submit" button is located below the verification code field. At the bottom, there's a black footer with copyright information: "Copyright © Indian Library Association. All rights reserved. Email Login | Disclaimer. Website Designed, Developed and Hosted by NS Websolution Private Limited." The browser address bar at the very bottom shows "ilaindia.co.in".

In the “Username” field, enter the Membership ID you noted earlier.

Paste the verification code into “Verification Code”.

Select “Submit” to continue to password creation.

Do not use your email address as the username unless the website specifically asks for it.

8. Create your new password

The ILA page specifies a minimum length of 12 characters.

Enter a new password with at least 12 characters.

Use at least one uppercase letter, one number, and one special symbol. A mix of lowercase letters is recommended too.

Re-enter the same password in “Confirm Password”.

Select “Submit” and wait for the success message.

9. Log in with your updated password

After the reset succeeds, return to the login page.

The screenshot shows the mobile app interface for the Indian Library Association (ILA). At the top, the status bar shows the time 7:36 and signal/battery icons. Below the status bar is a navigation bar with social media icons (Facebook, YouTube, Instagram, Twitter, Email) and a 'Log in / Register' link. The main header features the ILA logo and the text 'Serving Library Profession Since 1933'. The page title is 'Login' with a breadcrumb 'Home / Login'. A green success message box states: 'success Reset password successful. You may now login to the site.' To the right of this message is a 'NOTICES' button. Below the message are the login fields: 'Username *' with an input field, 'Password *' with a masked input field and a 'Show Password' toggle, and a 'Remember me' checkbox. A 'Log in' button is positioned below the password field. At the bottom of the login section, there is a link: 'Forgot your password? Forgot your username?'. The footer contains copyright information: 'Copyright © Indian Library Association. All rights reserved. Email Login | Disclaimer Website Designed, Developed and Promoted by NS Websolution Private Limited'. The bottom of the screen shows a mobile browser address bar with the URL 'ilaindia.co.in'.

Enter your Membership ID in the username field.

Enter the new password you just created.

Select “Log in”.

If the login fails, check your entries or repeat the password-reset steps.

Use a password manager or another secure method to store your password.

10. Open My Profile

After logging in, open the account menu in the top-right corner.

If prompted, enter your Aadhaar number on the official ILA website and submit it.

Select your name or account menu in the top-right corner.

Choose “My Profile”.

Review the information currently displayed.

The profile screenshot has been redacted to protect personal information.

11. Edit your personal details

Select “Edit Profile” on the My Profile page.
